PROFESSIONAL SUMMARY

Motivated JavaScript Developer with a strong foundation in modern JavaScript and backend development. Passionate about building clean, scalable, and efficient web applications using JavaScript, Node.js, Express.js, and MongoDB. I enjoy solving real-world problems, writing maintainable code, and continuously learning new technologies. I am currently available for freelance projects involving JavaScript development, REST APIs, backend systems, bug fixes, and web application development.

TECHNICAL SKILLS

Programming Language

JavaScript (ES6+)

Backend Development

Node.js

Express.js

Database

MongoDB

APIs

REST API Development

CRUD Operations

API Integration

Authentication

JWT Authentication

Password Hashing (bcrypt)

Version Control

Git

GitHub

Tools

Postman

Visual Studio Code

npm

SERVICES I OFFER

JavaScript Development

Backend API Development

REST API Integration

Node.js Development

Express.js Applications

MongoDB Database Design

Authentication Systems

Bug Fixing

Backend Maintenance

Code Refactoring

JSON Data Management

PROJECTS

Health Insurance Management System

Tech Stack

JavaScript • Node.js • Express.js • MongoDB

Features

User authentication

JWT authorization

Insurance plan management

Claims management

Secure REST APIs

MongoDB database integration

Inventory Management System

Tech Stack

JavaScript

Features

Inventory tracking

Product management

CRUD operations

Data validation

Stock management

Authentication API

Tech Stack

JavaScript • Node.js • Express.js • MongoDB

Features

User Registration

Login

Password Hashing

JWT Authentication

Protected Routes

WHAT I CAN BUILD

REST APIs

Backend Applications

Authentication Systems

CRUD Applications

Inventory Systems

Business Management Systems

API Integrations

Database-driven Applications

EDUCATION

Bachelor of Science (B.Sc.) Computer Science

Taraba State University

Second Class Upper (2:1)

Graduated: 2024

CERTIFICATIONS

Backend Development

Virtual Assistant

Human Resources Management

SOFT SKILLS

Problem Solving

Communication

Teamwork

Time Management

Attention to Detail

Fast Learner

Adaptability
